Civic Standards:
1. All those impacted by the problem are stakeholders. Together they define the problem, set goals and work toward solutions as active citizens.
2. The stakeholders are accountable for contributing resources (leadership/time, knowledge, constituencies and dollars) to solve the problem for the common good.
3. All stakeholders are engaged in making decisions and policies that contribute to the common good.
4. All stakeholders agree to be transparent throughout this process. We agree to implement policies where we individually have the authority to act.
