

End-of-season Watercraft Inspection Program Report

Organization Name: Kanabec Soil & Water Conservation District

Completing this Watercraft Inspection Program report fulfills the requirements of section 2.J of the Delegation Agreement. Please submit an end of season report by December 31st of the current year. Please add additional sheets if necessary.

- When did your season run? Start Date End Date
- How many inspectors did you use for inspections?
- If applicable, how many decontamination units did you have in operation?
- Please record the number of hours your staff logged at each lake and access. This information can be used to help understand inspections per hour for the state. Indicate "hours not available" if you do not have this information. Attach a separate sheet if necessary.

Lake Name	Access Name	WIP Case Number	Total Hours
Ann Lake (33004000)	Ann Lake State Water Access Site	33004001	24
Fish Lake (33003600)	Fish Lake (S) State Water Access Site	33003601	80
Fish Lake (33003600)	Fish Lake (NE) State Water Access Site	33003602	8
Knife Lake (33002800)	Knife Lake (N) State Water Access Site	33002802	164
Knife Lake (33002800)	Knife Lake (S) State Water Access Site	33002801	67
Lewis Lake (33003200)	Lewis Lake State Water Access Site	33003201	20
Pomroy Lake (33000900)	Pomroy Lake State Water Access Site	33000901	4
Quamba Lake (33001500)	Quamba Lake State Water Access Site	33001501	8
Lake Eleven (33000100)	Lake Eleven State Water Access Site	3300101	8
Lake Five (33000300)	Lake Five State Water Access Site	3300301	4

- Did your program encounter any unexpected issues this season? If yes, please provide a description below. Examples include, but are not limited to: hiring, training, enforcement support, conflicts at the access, injuries, damage, etc.

Our program did not encounter any unexpected issues during the 2022 inspection season.

6. Do you have suggestions for improving the statewide inspection program for the future? If yes, please provide a description below. This information may be used at annual off-season inspection meetings.

No suggestions for the program.

7. Are you planning on piloting any new inspection protocols or procedures next year? If yes, please provide a description below. DNR will need to review and approve any proposed new procedures.

No
