	Category	Metrics
0	Law Enforcement Supported	<ul> <li>provided to local law enforcement officers to enforce AIS laws</li> <li>local law enforcement officers trained in 2021 on AIS laws</li> <li>local law enforcement officers conducting AIS work</li> <li>boaters contacted by local law enforcement</li> </ul>
Q	Monitoring Conducted	8 total lakes and rivers surveyed for AIS. Surveys included: early detection searches on water bodies 4 zebra mussel settling plates deployed on4 water bodies 3 veliger tows taken on3 water bodies 6 aquatic plant surveys conducted on6 water bodies 0 new detections in the county 5 volunteers trained and/or active as AIS Detectors 0 people participate in the University of Minnesota Extension and Minnesota AIS Research Center's "Starry Trek" event List of species monitored:Curly Leaf Pondweed, Zebra Mussels
	New Infestation Response Planning	new infestation response(s) coordinated Our county has a new infestation response plan: No
X	Invasive Aquatic Plant Management (IAPM)	\$ spent on IAPM water bodies with aid-funded IAPM activities groups involved or conducting aid-funded IAPM work \$ in other funds leveraged for IAPM work List of species controlled: Curly Leaf Pondweed

# **Kanabec County AIS Prevention Plan**

In 2023 the Kanabec AIS/Coalition of Lake Associations (COLA) group will plan to use AIS aid funds to once again hire two seasonal watercraft inspectors. The Watercraft Inspectors will assist with the Kanabec COLA's goal of increased Education, Prevention, and data collection on lake usage. Additionally, the Kanabec COLA wants to continue its partnerships to engage residents and children around AIS awareness, conduct monitoring, and invasive aquatic plant management activities to prevent to introduction and limit the spread of Aquatic Invasive Species.

# **Lake Associations Engaged/Conducting AIS Work**

Ann lake, Fish Lake, Knife Lake, Lewis Lake, Pomroy Lake, and Quamba Lake.

## **Outreach/Education**

- + Volunteers and boat inspectors at Lake Accesses
- + Booth at Kanabec County Fair
- + Articles in Lake Association Newsletters
- + Placemats at Crows Nest Resort, Sportsman's Café, Fire Pit Resort, Fish Lake Resort
- + Pass out materials at events (Koozies, placemats, key chains, towels(new), coasters, AIS ID cards)
- + In lieu of hosting the annual AIS Starry Trek event in 2023, plan to have boat inspectors conduct surveys and work with lake assn. on more AIS education at their normally scheduled lake events.
- + Hosting 1 or 2 public events/gathering centered around lakes & AIS

### Monitoring

- + Zebra mussel monitoring via PVC Dock Pipes
- + Zebra mussel veliger monitoring through RMB Labs
- + Curly-leaf & Eurasian Watermilfoil (EWM) surveys

#### **Invasive Aquatic Plant Management (IAPM)**

Ann Lake – 11 acres of Curly-leaf Pondweed Treatment Planned

Fish Lake – 30 acres of Curly-leaf Pondweed Treatment Planned

Knife Lake - Around 50 acres of Curly-leaf Pondweed Treatment Planned

Lewis Lake – 4-6 acres of Curly-leaf Pondweed Treatment Planned

Pomroy Lake – have yet to spray for Curly-leaf Pondweed Treatment - conduct plant

surveys to determine the need

Quamba Lake – 0 acres of Curly-leaf Pondweed Treatment Planned, 2023 - rest year

### **Decontamination Unit**

Plan to start a pilot on three of our lake accesses (Knife, Fish & Ann) through the use of new or re-purposing existing AIS signs to convert them to self-service AIS boat cleaning stations with dry tools available for boaters' use in cleaning their boats. The tools will be on the honor system for returning to the sign.
