---

### **Conditions for Planter Transport**

- At least a ½ ton pickup truck must be used to pull the drill when transporting
- The trailer the planter is on is equipped with a 2 5/16" receiver
- Transport only during daylight hours.
- Maximum speed is 30 mph
- When transporting, watch for mailboxes, oncoming cars, narrow bridges and shoulders of road. Slow down and make wide turns.
- Ensure the planter is attached securely to the trailer before transport.
- Only transport the planter while on trailer on public roads.

### **Conditions for Planter Use**

- Cover drill (store indoors) when not in use
- Make sure chisel and packing wheels are calibrated properly for site conditions before use.
- Only use the planter to plant straight rows, lift chisel when turning.
- Plant trees between 3 and 9 inches below surface.
- Plant in firm, dry soil.

This rental agreement is made on \_\_\_\_\_ day of \_\_\_\_\_, 2026 between \_\_\_\_\_ (Renter), and the Kanabec Soil and Water Conservation District (District).

## Kanabec Soil and Water Conservation District Equipment Rental Contract

---

These parties agree as follows:

1. Before pickup, the Renter agrees to put a \$500 down for the planter which the Renter would get back upon the return of the planter.
2. **District staff will not calibrate the planter for use.**
3. Planter should be dropped off between the hours of 8:30 am and 4:00pm at Kanabec SWCD office.
4. The Renter will not hold the District responsible for claims and liabilities arising from the use, operation, or storage of the equipment while in the possession of the Renter. The Renter shall indemnify the District for any losses suffered due to the operation, use, and storage of the equipment by the Renter or someone acting under their direction or control.
5. The District agrees to provide the planter and conduct normal maintenance and repairs on the equipment for use.
6. The District will instruct the Renter in the proper care and operation of the planter prior to use.
7. The Renter will adhere to the time schedule that has been arranged. The District is not responsible for scheduling delays caused by weather, repair and maintenance, or failure of another renter to return the equipment on time. Use the planter the first day, if weather permits.
8. **A \$40 cleaning fee will be assessed to the Renter if the planter is returned in poor condition;** any remaining seedlings will be considered forfeited.
9. No fertilizer or pesticides shall be applied with the planter.
10. **If the Renter notices any damage to the planter while preparing to use it or which results during use, the renter must call Kanabec SWCD immediately to notify them. If the Renter does not report any damage before use, and damage is discovered after rental, the Renter will be held liable for repair costs. To contact the Kanabec SWCD office to report damage, call 320-679-1391.**
11. **The Renter is NOT to attempt to fix an issue by welding, soldering, or altering the planter in any way without the consent of the Kanabec SWCD. If there is damage to the planter, the Renter will be held liable.**
12. Kanabec SWCD reserves the right to refuse service to customers who have previously violated any term of the rental agreement, or who have interacted with District staff in a nonprofessional manner.

IN WITNESS THEREOF, the parties have hereby signed their names:
