**Order Deadline:**

When stock is sold out.

**Tree Pickup Location:**

Kanabec County Fairgrounds.

\*Reminder postcards will be sent in April.

**Policies:**

\*Bundles of 25 will not be split.

\*We reserve the right to substitute sizes and stock.

\*Tree sizes are approximate.

\*Because of the perishable nature of trees and shrubs, the District is not responsible for their condition after the pickup date and cannot replace trees that do not survive.

**Are you a Woodland Owner?**

Talk to us about Forest Stewardship Plans and woodland owner resources. Nick.foss@co.pine.mn.us

**Keys to Planting Success:**

\* Select species based on your site conditions- sun/shade, soils and moisture.

\*Plant as soon as possible after receiving your trees. If delay is necessary, keep roots moist but not submerged.

\*Water in the first year when rainfall is low.

\*Fertilize after the first year.

\*Space plants for their full grown size. Fill in with smaller, shorter species for interest.
